INTRODUCING GREENVILLE WATER

MONTHLY BILLING

BEGINNING IN JANUARY OF 2012, Greenville Water will provide a MONTHLY bill to its customers (NOT QUARTERLY, as has been done in the past). This is being done to make it easier for our customers to budget for their Greenville Water bill.

As we transition to the new Monthly Billing frequency, you may notice billings in December, 2011, for less than a full quarter period of time. During the transition period, base fees will be prorated for the actual length of the billing period, and as usual, the consumption portion of your bill will reflect only the actual amount of water used.
